

# DESIGN BY MAIL

Joyce Bullock Garden Design offers a design by mail service, ideal for those gardens geographically beyond our reach.

For just **£450.00** we will create a bespoke concept plan of your garden. We are able to offer our specialist services at this price as we get you to do some of the work!

## What we need from you

We need you to take full measurements of the garden, including any features that are staying, i.e. pond, trees, existing sheds/garages etc.

Photographs of all aspects of the garden are also required, including the features detailed above.

We also need you to give us as much information as possible about how you wish to use your garden and the features you'd like incorporating.

## Your Design By Mail

We will design your garden based on the information you provide. It will be drawn to scale, using CAD (computer aided design) and it will include additional information and detail you may require.

### STAGE 1

We will email a PDF file so you can view and comment on the design. Minor changes can be incorporated at this stage.

### STAGE 2

When designs have been approved, clients will receive three hard copies of the design by post and a pdf via email within 28 days. However, we try to reduce this time wherever possible.

## Order your Design by Mail

Complete the DBM Order Form (also attached) and return to me via email: [joyce@joycebullockgardendesign.co.uk](mailto:joyce@joycebullockgardendesign.co.uk).
